

Exciting News – WE'RE JOINING REAL LIFE DENTAL!

Hello Friends,

We have some exciting news to share! On September 2, 2025, Peters Creek Dentistry will officially join Real Life Dental, a fantastic local provider known for its outstanding, patient-centered care. This change will help us enhance our services while keeping our commitment to high-quality patient care.

What does this mean for you?

- You'll see the same friendly faces and get the personalized care you've come to trust.
- Location, hours, and contact info will stay the same; we're just changing our name!
- Insurance changes will only occur if you change your provider.
- Access to more services and resources to support you and your family.

Dr. Tony Sun and Dr. Andrea Gatica the providers of Peters Creek Dentistry, say "We are excited" to be part of the Real Life Dental community! This will increase the resources and services to support patient oral health care.

Founded in 2010 by Dr. Damon Thompson, Real Life Dental has strong roots in the New River Valley community. Dr. Thompson is a Blacksburg native and a graduate of Virginia Tech and the VCU Dental School. He proudly served as a dentist in the US Navy before returning to his hometown. Under his leadership, Real Life Dental has been recognized as one of the "Best of the New River Valley" dental offices for several years, as voted by readers of *The Roanoke Times*.

If you have questions, please contact us **540-562-4001** or **tgraybill@peterscreekdentistry.com**. We're excited about joining Real Life Dental and continuing to provide each of you with excellent dental care.

Cheers,
Peters Creek Dentistry
